TO WHOM IT MAY CONCERN

Brussels, 19 September 2020

By this letter, I wish to confirm that I wish to confirm that MÖBEL-TRANSPORT AG, Zurich, Switzerland, is affiliated to FIDI Global Alliance (FIDI aisbl), the international federation of International Movers.

This letter serves as an extension of the FAIM Certificate of MÖBEL-TRANSPORT AG, until 30 June 2021. Due to travel restrictions and the uncertainty surrounding the evolution of the Covid-19 pandemic, physical audits for FIDI Affiliates are currently not able to take place, to protect both the safety of the auditors and moving company personnel.

Although a physical audit is not possible, adherence to FAIM 3.2 standards are being continually monitored remotely. The company is also required to undertake a full virtual FAIM 3.2 audit in early 2021.

Yours faithfully,

Jesse van Sas

FIDI General Manager
